IN RE:  CAT COMMUNICATIONS INTERNATIONAL, INC.	DOCKET NOS. TCU-02-15 TF-03-70
	CERTIFICATE NO. 0268

**CERTIFICATE**

(Issued April 7, 2003)

On March 3, 2003, the Utilities Board (Board) issued an order granting an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to CAT Communications International, Inc. (CCI). In the order, the Board stated that CCI would be issued a certificate when CCI obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. On March 19, 2003, CCI filed an amendment to its approved application requesting permission to provide service throughout Iowa in any exchange where an acceptable interconnection agreement could be made with the local exchange carrier (LEC).

On March 11, 2003, CCI filed a proposed local exchange tariff. Revisions to the tariff were filed on March 19, 2003. The proposed tariff and revisions, identified as Docket No. TF-03-70, contain the terms, conditions, and rates for CCI's local exchange service. An order approving the amended application, approving the proposed tariff and its revisions, and issuing a certificate is being issued concurrently

with this certificate. Since CCI will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0268, authorizing CCI to provide local exchange service in Iowa exchanges.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes CAT Communications International, Inc., to furnish local telephone service in the exchanges as shown by its tariff as currently and subsequently approved.
